

PARENTAL/GUARDIAN CONDUCT POLICY

YSC UNION JUNIORS REQUIRES PARENT/GUARDIANS TO SIGN THE FOLLOWING CONDUCT AGREEMENT.

PLEASE RETURN HARD COPY WITH YOUR SON / DAUGHTER PRIOR TO MAY 15, 2011.

- I agree that Union Juniors is focused on the individual development of my child, and that development is a long-term (not a short-term) process.
- I understand the intentions of the Union Juniors coaching staff are to help my child grow positively both as a player and person.
- I agree that Union Juniors has the right to suspend or terminate my child's participation if my behavior or my child's behavior is deemed inappropriate.
- I agree to emphasize development first and foremost with my child because I understand development is MORE important than results (especially for children under 12 years of age).
- I agree to use best efforts to get my child to Union Juniors training on time.
- I agree to be a quiet observer of my child's training, and shall NOT coach my child during any Union Juniors sessions.
- I agree not to recruit any Union Juniors player for any club team at any time. If I am approached by another Union Juniors parent/guardian in this regard, I agree to inform Union Juniors staff immediately (Please Note: anyone who recruits players will be asked to leave the program).
